The Chautauqua.

The Chautauqua for Ardmore June 2nd to July 1st, is taking more tangible form; however the subscription list to date does not warrant the entire number of attractions as scheduled.

It is to be hoped that the ticket sale will meet with such encouragement as to defeat the well matured plans of the Commercial Club.

We understand that the first and second days of June, Friday and Saturday, are the days set apart for a vigorous ticket campaign.

This is a step in the right direction. This committee will deliver tickets to those who have subscribed, and those who have not been solicited will have an opportunity to secure tickets from this committee.

The Ardmore highly commends this committee to the favor and respect of all people who read and think.

The coming of such men as Dr. Gossman, George Stuart, Dr. Bushnell, Dr. Sam Steel, and others to our city, is an achievement which means much to intellectual atmosphere of our community.

G. A. R. Memorial Day.

At 2 p.m. tomorrow procession will form on West Main and B street, and march to Rose Hill cemetery, where memorial services will be held. You are invited to attend.

COMMITTEE.

Mayor Dick Returns.

Major and Mrs. R. W. Dick have returned from Chicago where they have been for several days. Mayor Dick went there in the interest of the city's waterworks, sewer and school bonds. The bonds aggregate in all \$120,000. They were approved by the Secretary of the Interior, Friday, as stated in Sunday morning's Ardmoreite.

The news of their approval reached here Saturday afternoon, at which time Mr. and Mrs. Dick started for home. The notice of approval has been received by the firm who bought the bonds in Chicago and the money on them will be forthcoming shortly. Then watch improvement in Ardmore begin in earnest.
